January 24, 2007

**Dear Brian,**

Students, have you ever seen someone your age being quoted in the newspaper or being interviewed on television and thought "Why can't that be me?" **Well this is your lucky day!**

Starting next month, YEA is going to give you a chance at fame and fortune! Based on the comments and great feedback from this year's very successful Summit, YEA is currently in the process of redesigning its website and improving its on-line and off-line content and **we want to make you a star!**

How would you like to go to dinner with a group of successful business owners or find a mentor who can help you get your business idea to the next level?

Okay, if you're still not convinced that you want to spend the 10-20 minutes necessary to contribute, you should consider one final perk. CASH! **Students whose contributions are used in YEA publications will be paid up to \$50 cash for each of their submissions.**
