The YEA Summit provides an excellent opportunity for jr. high and high school students to learn more about entrepreneurship, marketing, finance, accounting, operations, directly from some of the most widely recognized entrepreneurs and venture capitalists in the State. - more information
- more mentors
- more fun
- and more networking opportunities

This is a perfect capstone for any business class and a great kickoff for FBLA and DECA events. This big event also marks the kickoff for Young Entrepreneur's of America [Business Plan Competition](#) and [Young Entrepreneur of the Year](#) Competitions.
